Middlebury Schools Abroad Program

## TECH SKILLS

---

JavaScript, React, HTML, CSS, Python, Maple, L<sup>A</sup>T<sub>E</sub>X; Microsoft Office, Google Suite

## WORK EXPERIENCE

---

**Vermont Information Processing**, Colchester, VT

*August 2020-Present*

**Support Specialist**

Supports beverage distributors, specializing in a sales, operations, and inventory reporting application. Manages users, answers customer questions, and troubleshoots technical issues.

**Bates College Mathematics and Statistics Workshop**, Lewiston, ME *Fall 2017–Spring 2020*

**Tutor**

Helped college students with math coursework and worked to inspire students to be more confident in their mathematical abilities and eventually become more independent in their learning.

## PROJECTS

---

**HOPE Works Survivor Database App**, Burlington VT

*Summer 2019*

**Developer**

Collaborated with teammates to develop an app for HOPE Works, a non-profit organization that helps survivors of sexual violence. The app includes a form, a way to view submitted forms, statistics, and more. Worked independently after the group disbanded to add more features.

**Origami Constructions in Number Theory**, Bates College, Lewiston, ME

*Summer 2018*

**Researcher**

Worked in a group research setting over the course of six weeks to better understand Origami Constructions. Primarily wrote code as a team in Maple to plot and analyze Origami sets.

## COMMUNITY SERVICE

---

**Lewiston Public Library**, Lewiston, ME

*Fall 2016, May 2018*

**Volunteer Tutor**

Provided after-school homework help for Lewiston High School and Middle School students, almost exclusively children of immigrants for whom English is a second language.

**Maine Immigrant and Refugee Services**, Lewiston, ME

*Spring 2017*

**Volunteer Teaching Assistant**

Tutored adult immigrants and refugees who did not speak English, teaching the alphabet, basic words, and phrases to groups of up to 20 people
